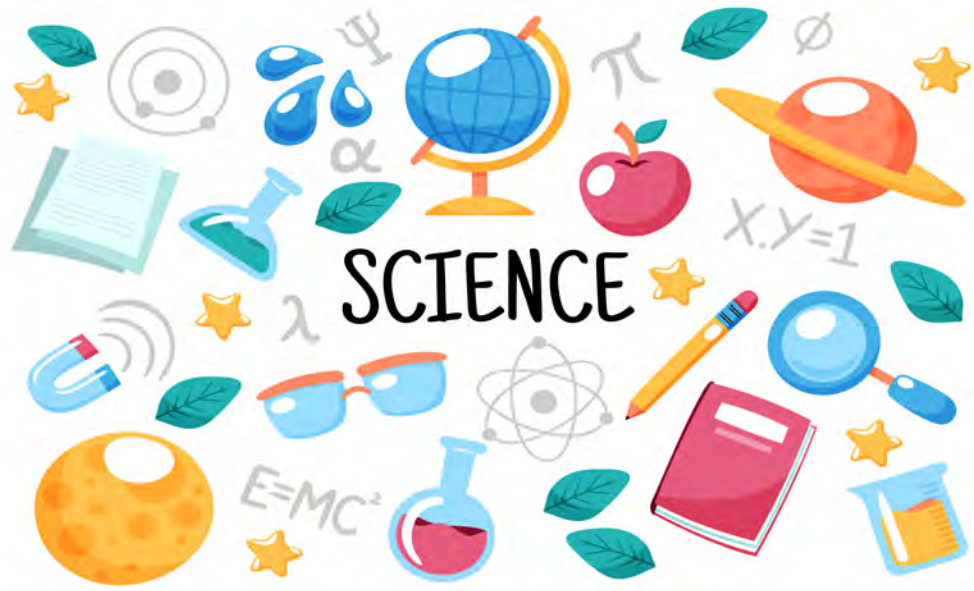
Leicester Adult Skills and Learning Service

Keeping up with the Children Science

A free, fun online course to help you support your child's learning at home.

★ **Get help online to explore good quality science resources with FREE tutor support that will help you support your child's curiosity and science skills.**



★ **Get lots of ideas for making fun activities, trying experiments and playing games together at home that blend well with the science work sent home by schools.**

Courses are aimed at every school year group from Year 1 to Year 6.

Our online courses are starting the week beginning 18th May 2020 and will run for 7 weeks up to the summer holidays.

When you enrol, we will allocate you to an online course with other parents from your area.

A great team of adult tutors will be able to support you online, by email and by video calls in our secure Google Classroom that is free to use.
