

British Council Connecting Classrooms through Global Learning-Nepal

Nepal -Connecting Classrooms through Global Learning Project (14th 23rd February 2020)

Our international School Co-coordinator Mrs Odedra visited our link school in Nepal.

Project Planning at the British Council in London (All Teachers from U.K Schools and Nepal)

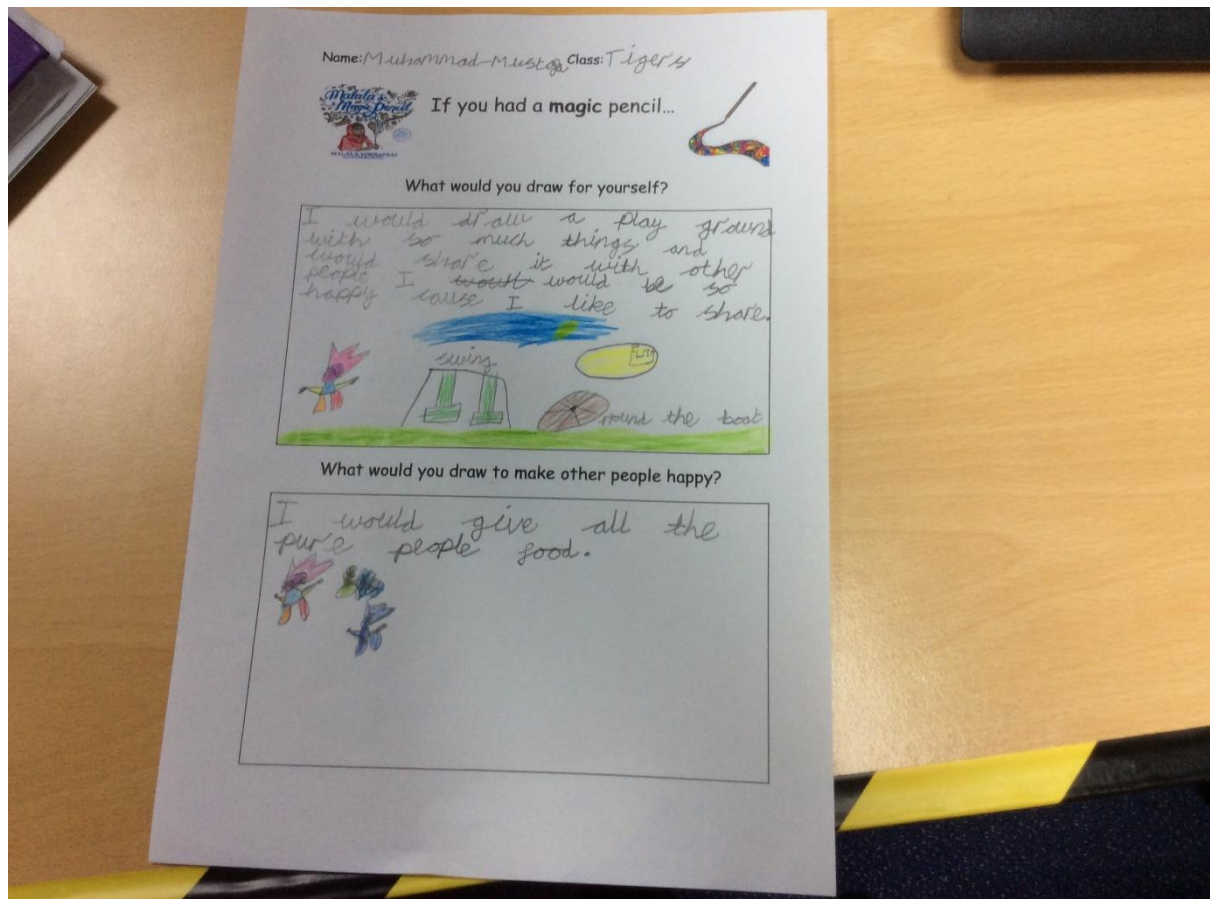

Whole School Assemblies about plastic pollution

Class Work and collaborative activities carried out with partner schools

Malala's Magical Pencil –KS1

This activity was completed by all pupils in key stage 1 after reading the book in assembly. Pupils were asked to think about what they would draw if they had a magical pencil.

If you had a magic pencil...

What would you draw for yourself?

I would draw a
ice cream van

What would you draw to make other people happy?

I would draw
a clothes for
poor people

Name: Tahira Binti Kamilan

Class: TIGERS

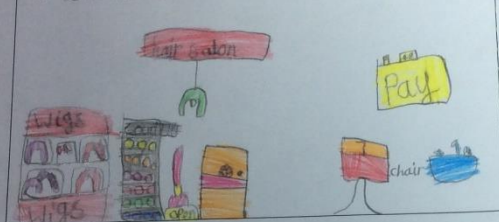

If you had a magic pencil...

What would you draw for yourself?

This is hair salon

What would you draw to make other people happy?

this is a care home

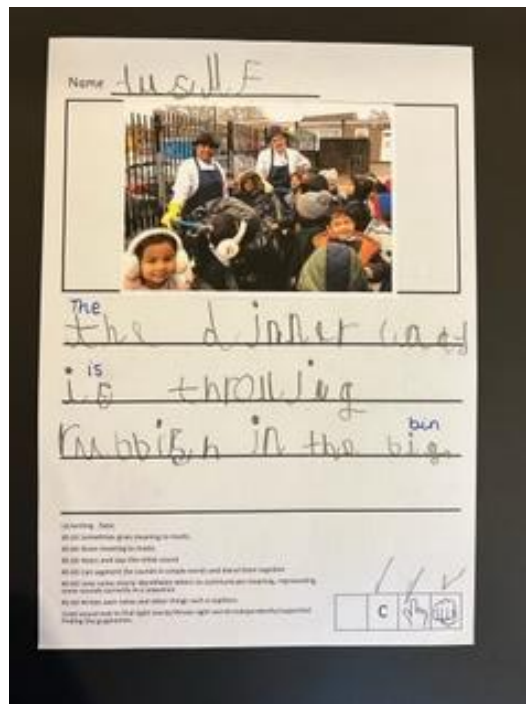

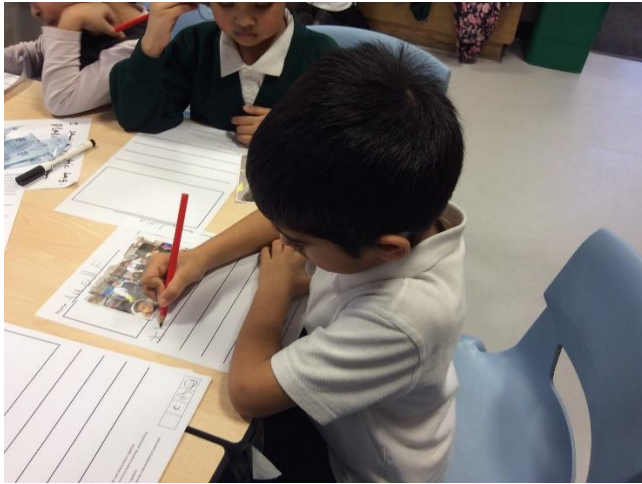

Logo design – The children had to design a logo that represented two countries working together (England and Nepal), collaboration and encourage recycling. This is the chosen design that was selected for the Lord Mayor of Leicester to judge.

This project has helped our pupils to understand the big issues that shape our world and equip them with the knowledge, skills and attitudes they need to make a positive contribution to society. Our project focus on plastic pollution. We explored this in many different ways.

The children in our reception classes visited the local area and took photos of rubbish on their iPads. Here are some examples of what they found.

Litter Picking and helping to keep our playground tidy.

Celebrating Earth Day

Learning about Nepal

Teachers from Nepal visit Leicester (Dates)

Teachers from 'The Noble Academy' and 'Vishwa Jyoti School' in Nepal visit Uplands Infant School.

All staff from both Leicester and Nepal at Uplands Infant School for the planning meeting for the plastic pollution project.
