

Good Morning Uplands Infants students

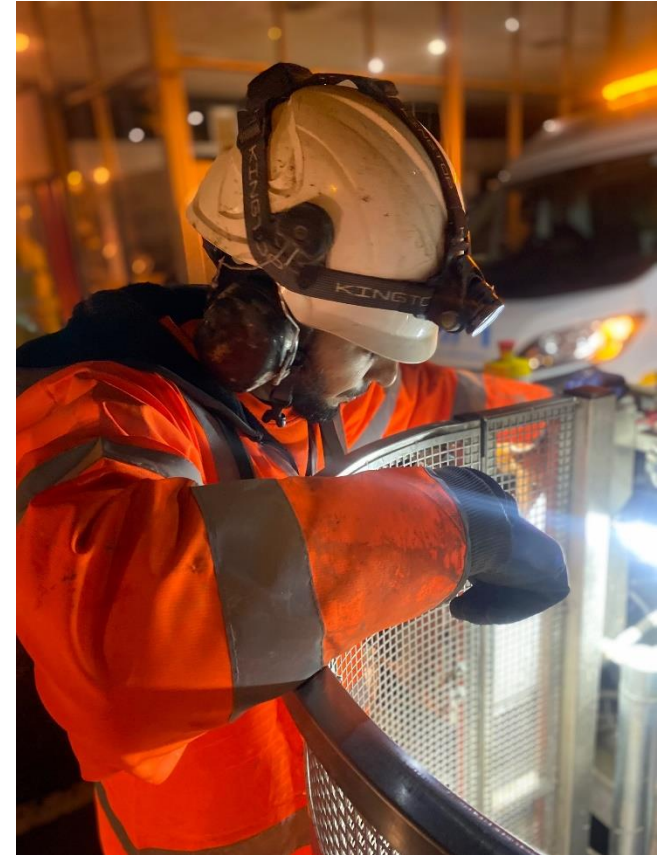

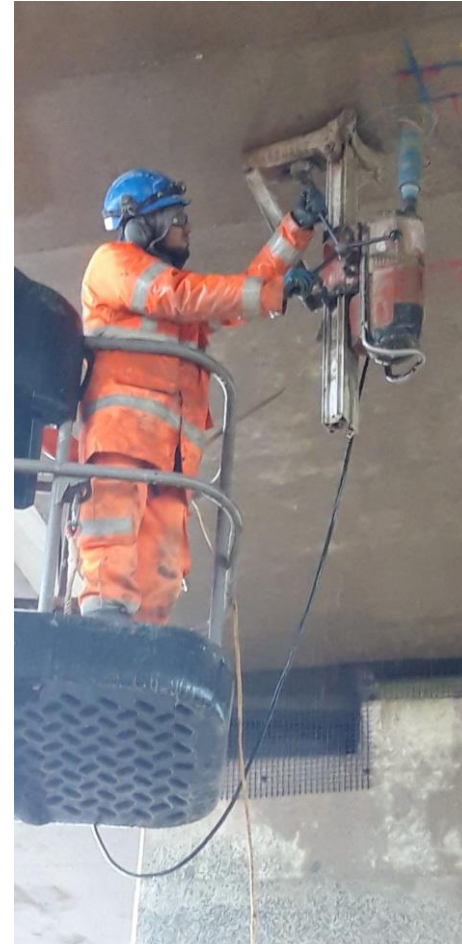

*Uplands
Infant & Nursery
School*

Who Am I?

My name is Wasim Ibrahim

What do I do?

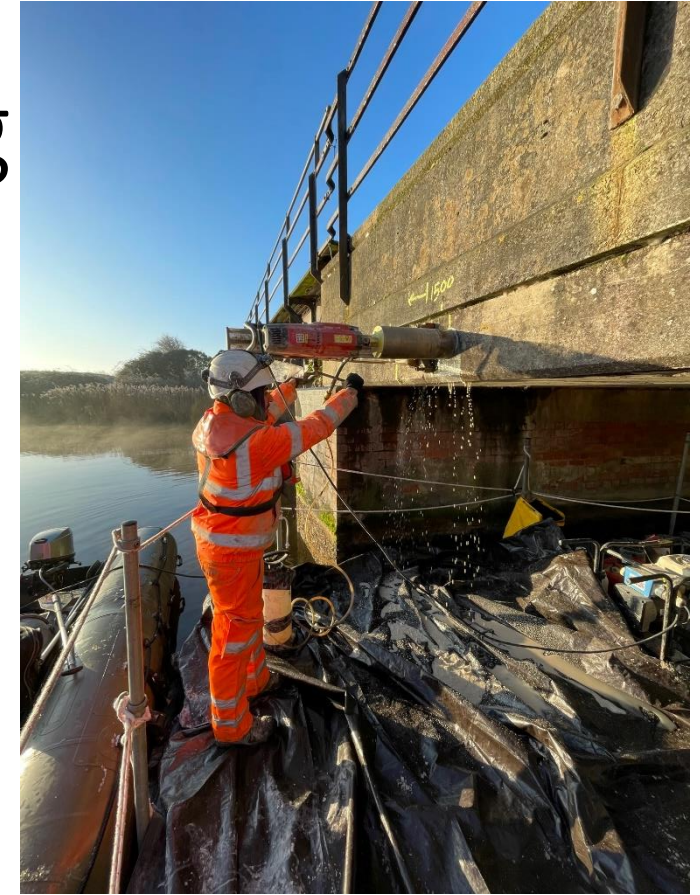

- I work as a Structures and pavements Investigation Engineer

Structures Inspections and testing

Part of my job is to:

- Inspect bridges
- Test bridges
- Sampling materials for lab testing

Highways investigations

- Drilling into roads and motorways to find out how deep the road is
- Scanning the road to see if it is broken where the human eye cannot see
- Drilling for lab testing to see how strong the road is

How did I get into this career?

Uplands
